New: All Sponsorship \$\$\$ support the NEAWI Scholarship Fund

This year, your NE Chapter of the AWI is so very proud to announce that it will commit all proceeds from sponsorship in Golf and Fishing events directly to the NEAWI Scholarship/Education Fund. You can read more about this very important project on the [NEAWI website](#), click on "Chapter News", and go directly to neawi-scholarship-and-education-fund.html. The positive response thus far has been overwhelming. We are so grateful to those of you who immediately reserved Sponsorship Signs and/or are planning to do so as soon as possible so we can get busy on our end. You are going to be part of something GREAT!

Silent Sponsorship Lottery for next event:

Companies receive 1-4 lottery tickets, based on sponsorship level. All lottery tickets go into the bowl. One Manufacturer and One Supplier will be picked at random. Next event, that company's sponsorship amount is pre-paid by NEAWI with special privileges.

More Info:

Manufacturing Members: contact Shawn Keller 603-382-4611 SKeller@CWKeller.com.

Associate Members/Suppliers: contact Andy Barra 502-817-1606 barra@flexwood.com

GOLF:

Shotgun start at 1:30

There is a driving range and putting green for early arrivals

The format will be SCRAMBLE. No handicaps are necessary.

Golfers of any ability can play, and have fun.

Fee of \$ 175.00 per player includes:

Box lunch – green fees – cart- prizes – appetizers and dinner

We encourage you to bring guests.

FLAT WATER FISHING:

We are going to try and repeat last year's event with Mother Nature's cooperation.

FLAT Water fishing aboard the 78' "Captains Lady". We will be staying in the river's mouth and will be fishing for Stripe Bass, Pollock, Bluefish, Mackerel and what ever else Neptune allows us to catch. Last year everyone caught fish with few exceptions (no names, you know who you are). Many "keepers" were caught last year, as Tom Walker of Camger Coatings, won the prize for most and biggest fish taken aboard. We hope to have a smaller power boat available for short tours of the Plum Island River and the Parker River Wildlife Refuge. A couple of Kayaks and a Canoe will also be available for those wishing to explore on their own. If you have a canoe or kayak you are welcome to bring it along. We may even have the same sailboat available as we had last year, provided Lew has not sold it.

The "Captains Lady" will depart at 8:30am sharp and will be back on the dock by 4:00pm. NEAWI will provide all guests with lunch and soft drinks; beer is available from the ship's galley. Captain's Fishing Parties will provide all fishing gear and bait. All attending are then invited back to the Wentworth by the Sea Country Club by 5:30 PM for cocktails, appetizers and dinner.

The fee of \$95.00 per person includes: Fishing Gear, Bait, Lunch, Prizes, appetizers and dinner. The boat filled up fast last year, so get your registration in ASAP. Any questions regarding fishing call Kevin Barlow's cell at 978-973-8055. Staying in the river's mouth should allow for Flat Water and prevent anyone from making their own "Chowdha".
